General Information

- Utah Code Section 59-13-403 and 59-13-201 allows federal and Utah state and local government entities to file for a refund of Utah fuel taxes paid on aviation fuel purchased in quantities of less than 750 gallons for government use.
- This refund applies only to aviation fuel purchased for the government's official and exclusive use in government vehicles, aircraft, and equipment. Sale or delivery to individuals or to other businesses operating under government contract, personal use, for retail sale on or off government property or any other distribution to third parties do not qualify for this refund.
- If you need additional help or information, contact the Utah State Tax Commission at (801) 297-2200 or, if outside the Salt Lake area but within Utah, call 1-800-662-4335.
- Original records supporting the refund claim must be maintained by the government entity for three years following the year of refund.
- To file for a refund, mail or bring this refund form to the Utah State Tax Commission, 210 North 1950 West, Salt Lake City, Utah 84134.
- Refund claims for aviation fuel taxes paid may be filed within 30 days after the end of any calendar quarter, for taxes accumulated for that calendar quarter.

Instructions For Completing This Form

- Enter the full name, address, and Federal Identification Number of the government entity applying for the refund in the space provided. Use this same name and number whenever you file for a refund.
- You must provide all information requested on this form for each purchase of aviation fuel for which you paid Utah aviation fuel taxes. Attach additional forms if necessary.
